

## WORK AND THERAPEUTIC AREA EXPERIENCE

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
<b><i>ANAESTHETICS</i></b>		
Gas anaesthesia	Nitrous oxide	Preparation of 16 slide kits and summaries of 25 published papers. Production of internet training course.
<b><i>ANTI-INFECTIVES</i></b>		
Hospital acquired infection	Macrocyclic antibiotic	Production of Clinical Summary, Clinical Overview and other documents for US and EU submissions
Hospital acquired infection	Macrocyclic antibiotic	Production of Briefing Books for three Scientific Advice meetings (EU and US)
Acne	Topical antibiotic	Production of Clinical Summary and Clinical Overview for submission
Acne	Topical antibiotic	Production of clinical trial report
Urinary tract infections (3 studies)	Quinolone antibiotic	Clinical protocol development and production of clinical trial reports
Multiple indications (12 studies)	Beta-lactam antibiotic	Protocol writing, project management, writing final reports
General	Beta-lactam antibiotic	Writing Investigator brochure then yearly updates
General	Beta-lactam antibiotic	Expert report for submission
General	Beta-lactam antibiotic	Integrated summaries of safety and efficacy
Multiple indications (8 studies)	Carbapenem antibiotic	Protocol writing, project management, writing final reports
General	Carbapenem antibiotic	Investigator brochure
Urinary tract infections	Quinolone antibiotic	Production of clinical trial report
Pneumonia	Quinolone antibiotic	Production of clinical protocol, 2 interim reports and final clinical study report
Fungal infections	Anti-fungal therapy	Production of clinical study report and manuscript for publication
Pneumonia	Penicillin	Production of clinical trial report and manuscript for publication
Urethritis	Quinolone antibiotic	Production of protocol and clinical trial report
General	Antimicrobial resistance	Production of 2 manuscripts
Respiratory infections	Sustained release antibiotic	Investigator brochure
<b><i>ANTI-INFLAMMATORY</i></b>		
NSAID	Generic product	Clinical Summary and Overview based on literature
<b><i>ANTI-VIRAL</i></b>		
HIV infection	Nucleoside inhibitor	Protocol development for 2 studies

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
HIV infection	Combination product	Risk/benefit assessment
<b><i>BLOOD AND SUPPLEMENTAL PRODUCTS</i></b>		
Haemostasis post-surgery (3 studies)	Fibrin glue	Production of protocols, investigator brochure and final study reports
Parenteral nutrition	IV nutrition post-surgery	Production of Safety Summary for CTD
<b><i>CARDIOVASCULAR</i></b>		
Raynaud's syndrome	Topical vasodilator	Production of clinical trial report
Hypertension (2 papers)	Angiotensin II antagonist	Production of manuscripts for publication
Hypertension	Angiotensin II antagonist	Patient narratives
Hypertension	Angiotensin II antagonist	Integrated summary of safety and MRP responses
Hypertension	Angiotensin II antagonist	Production of manuscript for publication
Hypertension	Aldosterone antagonist	9 slide kits based on study reports
Hypertension	Angiotensin II antagonist	Investigator brochure and CTX
Hypertension	Angiotensin II antagonist	Project management of regulatory submission process and writing clinical summary and overview documents
Acute coronary syndromes	Registry	Production of manuscript for publication
Thrombosis	Low molecular weight heparin	Production of 25 slide kits
Thrombosis	Low molecular weight heparin	Production of 2 manuscripts for publication
Angina	New class	Clinical summary and overview (CTD format)
Cardiovascular disease	Imaging	4 case reports for publication
Hypertension	Angiotensin II antagonist	Production of Briefing Book for Scientific Advice meeting
Hypertension	Angiotensin II antagonist	16-page supplement for British Journal of Cardiology
Hypertension	Angiotensin II antagonist	Large Phase IV outcomes study
<b><i>CNS</i></b>		
Sedative (3 studies)	Sedative/hypnotic/anxiolytic drug	Phase I protocol development
Parkinson's disease	Oral therapy	Patient narratives
Parkinson's disease (3 studies)	Oral therapy	Protocol development
Parkinson's disease	Nasal delivery system	Production of 2 study reports

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
<b><i>COLD REMEDIES</i></b>		
Common cold (3 products)	Combination therapy for symptom relief	Updating regulatory dossiers
<b><i>COMPUTING</i></b>		
Electronic data capture	-	Production of training manuals
<b><i>DERMATOLOGY</i></b>		
Facial lines	Neurotoxin	Production of 2 clinical study reports and 18 manuscripts for publication
Facial lines	Neurotoxin	Production of 11 abstracts and 7 posters for conferences
<b><i>DIABETES</i></b>		
Diabetes	Oral therapy	Production of 4 clinical study reports
Diabetes	-	Production of two sections for book on diabetes (sections on PK and treatment options)
Diabetes	Oral therapy	Production of 2 phase I clinical study reports
Diabetes	Injectable insulin	Production of 2 clinical study reports and 2 manuscripts
<b><i>GASTROINTESTINAL</i></b>		
Laxatives	Oral therapy	2 manuscripts
Ulcerative colitis	Oral therapy	Production of clinical summary
Ulcerative colitis	Oral therapy	Production of clinical study report and clinical summary
Constipation	Oral therapy	Protocol development
Constipation	Oral therapy	Paediatric Investigational Plan
<b><i>HORMONE THERAPY</i></b>		
Hormone replacement therapy (2 studies)	HRT patch vs oral therapy	Production of clinical study reports
Hormone replacement therapy (2 papers)	HRT patch vs oral therapy	Production of manuscripts for publication
Hormone replacement therapy	HRT patch	Production of clinical study report, Clinical Summary and Clinical Overview for CTD submission
<b><i>HYPERCOLESTERAEMIA</i></b>		
High cholesterol (3 studies)	Oral therapy	Production of phase I reports
High cholesterol	Oral therapy	Production of clinical study report (phase III)
High cholesterol	Oral therapy	Production of clinical summary for CTD submission
High cholesterol (2 studies)	Oral therapy	Production of two study reports

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
<b><i>HYPERHIDROSIS</i></b>		
Axillary sweating (2 studies)	Neurotoxin	Production of clinical trial reports, integrated summaries of efficacy and safety
Sweating	Neurotoxin	Preparation of 13 manuscripts and a consensus paper for publication
<b><i>NEPHROLOGY</i></b>		
Renal dialysis	Dialysis infusion	Production of clinical trial report
Pruritus	Dialysis infusion	Production of efficacy summary and Paediatric Investigational Plan
<b><i>NEUROLOGY</i></b>		
Spasticity	Neurotoxin	Production of 18 manuscripts for publication
Spasticity	Neurotoxin	Production of 20+ summaries of publications as sales detail aids
Tics	Neurotoxin	Production of 2 manuscripts for publication
Headache	Neurotoxin	Production of clinical trial report and 4 manuscripts
General	Neurotoxin	Production of 5 papers for journal supplement
General	Neurotoxin	Production of 6 abstracts and posters for conferences
<b><i>ONCOLOGY</i></b>		
Lung cancer	Chemotherapy	Production of clinical trial report
Breast cancer	Monoclonal antibody	Conference report
Colorectal cancer	Chemotherapy	Production of manuscript for publication
Breast cancer	Cisplatin chemotherapy	Project management of phase I and II programme
Bladder, ovarian and lung cancer (3 studies)	Cisplatin chemotherapy	Clinical protocol development and production of clinical trial reports
General	Cisplatin chemotherapy	Investigator brochure
Bladder and lung cancer (2 studies)	Photodynamic therapy	Clinical protocol development and production of clinical trial reports
Bone marrow transplants	Cytokine therapy	Clinical protocol development and production of clinical trial report
Myelosuppression	Cytokine therapy following chemotherapy	Project management of phase I and II programme (12 studies)
Breast cancer	Chemotherapy	Production of clinical trial report
Breast cancer	Chemotherapy	Review of current treatments
Lung cancer	Chemotherapy	Review of current treatments
Metastatic cancer	Chemotherapy	Production of 2 clinical trial reports

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
Rhabdomyosarcoma	Chemotherapy	Production of clinical trial report
Ewings sarcoma/PNET/DSRT	Chemotherapy	Production of clinical trial report
Leukaemia	Chemotherapy	CTD summaries
Prostate cancer	Chemotherapy	Protocol development
Prostate cancer	Diagnostic test	Protocol development
Breast cancer	General	Review paper for nurses
Breast cancer	Chemotherapy	Clinical Overview
<b><i>OPHTHALMOLOGY</i></b>		
Dry eye disease (2 studies)	Eye drops	Production of two study reports
Glaucoma	Eye drops	Production of Clinical Summary (CTD format)
Glaucoma	Eye drops	Production of Clinical Summary (CTD format)
<b><i>PAIN</i></b>		
Sprains	Topical gel	Production of 2 clinical trial reports
Dental pain relief	Oral painkiller	Production of clinical trial report
Pain associated with itching	Topical gel	Production of clinical study report
Sprains and contusions	Topical gel	Protocol development
<b><i>PARENTERAL NUTRITION</i></b>		
Adult and paediatric supplement	Intravenous infusion	Production of safety summary
<b><i>PHASE I</i></b>		
General	Healthy volunteers	Production of over 40 study reports and 4 Investigator Brochures
<b><i>RESPIRATORY</i></b>		
Asthma (4 studies)	Oral vs inhaled drug	Production of clinical trial reports. Abstract and slides for conference
COPD	Inhaler	Production of clinical trial report
<b><i>SOPs</i></b>		
Producing 2 sets of SOPs for 2 European offices of US companies		
Updating clinical and regulatory SOPs for CRO		
Producing integrated set of US/European SOP		
Production of new SOPs based on European Clinical Directive		
<b><i>SURGERY</i></b>		
Liver transplant surgery	Haemostatic drug + device system	Clinical protocol development

<b>THERAPEUTIC AREA/ INDICATION</b>	<b>SUMMARY OF PRODUCT TYPE</b>	<b>WORK CARRIED OUT</b>
Knee replacement surgery	Haemostatic drug + device system	Clinical protocol development
Hip replacement surgery	Haemostatic drug + device system	Clinical protocol development
Liver transplant surgery	Anti-rejection drug	Coding of data
Local anaesthetic for minor surgery	Injectable	Production of 2 clinical study reports
<b><i>UROLOGY</i></b>		
Benign prostatic hyperplasia (2 studies)	Oral drug therapy	Production of clinical trial reports
Benign prostatic hyperplasia	Oral drug therapy	Updating Investigator Brochure
Benign prostatic hyperplasia	Oral drug therapy	Production of clinical trial report
Urological devices	-	Book on the urological devices market
Urinary incontinence	Neurotoxin	Preparation of manuscript and conference abstract and poster
<b><i>VACCINES</i></b>		
Flu vaccine	-	Production of 3 protocols and an Investigator Brochure
Herpes vaccines	-	Production of protocol, 2 clinical trial reports and an Investigator Brochure
Hepatitis vaccines	-	Production of 2 protocols
<b><i>WOUND CARE</i></b>		
Diabetic ulcers	Wound care debridement solution	Study report
Diabetic ulcers	Wound care dressing	Study report and 2 papers
Ulcers	Graft material	Study report
